Feminism is the advocacy of women’s rights on the basis of the equality of the sexes.

Feminists DON’T hate men.
Step 3:
Support All LGBTQ+, Disabled, People of colour, Non-Binary etc.

Feminists can support more than just Women’s rights.
Step 4:

Show up, for the girls who need you.

Show up, for the fighters than need support.

Show up, when we rally.
Step 5:

Don’t give a fuck about what anyone thinks.
Do what you want.

And don’t let anyone tell you otherwise.
