REBELLIOUS funk.
when you stay inside

You were the home then the home became you
a face full of glasses

a kitchen is created by water
as I speak a language
words like sholkasir/ nefidam/oraq
the impression of the unknown

you are the ear
the repetition of the echo
you create the reality
the world is a garden without the green colour
the licking point of the human
the anatomy of an ancient horse

you were the home then the home became you
the living organism
the memory animal
as our first talk
uses the language
of inventions and sounds
PUT ON YOUR MASK AND DANCE
WE'RE ALL RATS IN DIFFERENT LEVELS

Θέλω να είμαι ένα μπρόκολο ρωμαϊκό.
Μου αρέσουν γιατί είναι σαν κανονικά μπρόκολα,
αλλά γυρνάνε γύρω γύρω,
με αριθμούς περίεργου μαθηματικούς.
Δεν είναι περίεργο που τα μαθηματικά αρέσουν
στα μπρόκολα;

Μου αρέσουν γιατί είναι σαν κανονικά ροδάκια,
αλλά μοιάζουν με διαστημόπλοια,
κάποιου εξωγήινου κατακτητή.
Αναρωτιέμαι αν γίνεται να ταξιδέψω μαζί τους.
